## President's Message

Howdy awesome archers!

I'm hoping that everyone is enjoying our Sonoma County weather! Tiz the season of sun, fun, lazy days, and (with all properly aligned), time for some archery! We have hit the road AGAIN on our way to join others in our favorite activities: **LANGBOWS, BROADHEADS, VENDORS, FRIENDS, SHOTS OF SKILL, with LONG DISTANCE/FLYING CLOUTS!** Here we come Oregon: kayak, bike, fishing gear, weights, 16 paws, hiking boots/running shoes, healthy clean food choices! 1st stop Shasta Caves, a boat ride, and even plans to hook up with an SCB member, who now calls Corvallis home (can ya tell, I'm in my happy place?)!

OK, OK, BACK TO SCB business. Lessons are happening. Please be respectful of instructor and student! You may welcome and introduce yourself, etc. BUT please refrain from teaching! Each of our SCB instructors bring their own personal touch to lessons, and they are the individual in charge.

Member Larry Wei, will have Troop # 2 of Petaluma @ Rancho Neblina for an overnight of archery, hiking, orienting,

## Happy Birthday!

Happy birthday to Lauren Johnson, Joe Moreno, Judith Price, Sydney Martin, Kelsey Martin, Larry Price, and Elizabeth Frank.

Work Party

and much more. Way to go, Larry and Troop #2! We look forward to your experience and adventures!

Kudos to those members bringing friends, grandparents bringing young'uns, spouses lining up lesson time for wives/girlfriends, and sharing the sport we love!

Organized archery offers something for everyone, as members we have chosen to be a part of Sonoma County Bowmen. Remember to share support and appreciation to those individuals who go above and beyond for the pleasure of others. Bill Best your unexpected "gift" was very kind.

July 30th, 3D Wednesday will be our annual ice cream social. PLEASE, come join us for some awesome ice cream treats. We'll have banana splits, sundaes, root beer floats, cones, sprinkles, cherries, nuts, candies, cookies, possibilities are your choice!

If you have not yet, check out our new and updated website. We thank Jason Baggs for jumping in and assisting SCB!

We will be looking forward to resuming 3D League beginning July 16th. Traditional Archers of California will be hosting our annual 2-day Rendezvous at Rancho Neblina. Please mark your calendars for the last weekend of September! Tell your friends, invite your family, this is a camping opportunity, a gathering of folks who enjoy having fun, vendors welcome, photo ops, and 9 holes of Golarchery (golf archery)! The flyers will become available soon at both SCBarchery.net or hoping to have our Traditional Archers of CA website up and

Marilyn and Steve Dutra, Judy and Larry Price, David Bittlingmeier, Russell and Diane Hyde, John and Polly Loades, and Harold Goodrich pulled double duty this month at the lake. Thanks to all of them, the usual range chores were completed and the senior games went well.

We also wish to send a bouquet of thank-yous to our officers. The crew that work so diligently to make sure the 3-D animals are set out and brought in each week also deserve a pat on the back. Thanks Harold Goodrich, Pete Alexandrov, Steve Dutra, Burrell Wyle, John and Polly Loades. Remember anytime you want to stay after and bring in animals is much appreciated!

Thank you all for your contribution!

## Wine Country Games

Over 20 people had fun and had some good food during the senior archery games at the lake. We raised just under 1,000 dollars that will help support meals on wheels. Now even more seniors will have some fun and food when their volunteers deliver their daily meal.

Note to those of you turning 50 by June 2015, think about joining in and shooting for a great cause.

You too can shoot the modified

running ASAP.

And so...enough with archery responsibilities...we are on vacation! GOING FISHING!

## Hunting News

by Hans and Adrienne Olufs

It's summer time and archery deer season starts very soon! What a better way to practice than going to our 3D shoots? Good luck to all of the bowhunters and be sure to submit an award application and give it to Hans or Adrienne. We look forward to hearing some success stories!

Happy hunting!
