### Spooktacular News SCB'ers!

September has come and gone. October is upon us. Still lots of fall weather to enjoy the beautiful bounty of Sonoma County. I suggest you get out with friends and family for some quality time together!

Along with this month's monthly club shoot/work party weekend, we will celebrate our annual "Boo Shoot"! This is a time of coming together, bows in hand, flashlights ready, kicking back, and just hanging out! Oh yeah, Trick or Treating, potluck dinner, camping out, star gazing, hot beverages & sweet treats. It is necessary to RSVP & DONATE to make this a successful evening. Please see flyer by clicking [here](#). contact me 7636574 & mark those calendars, invite your friends, throw something in your shopping cart...let's make this happen!

A very special thank you to all our traditional shooters, donors, volunteers, etc. Together we bring together bows, archers, families, fun, food, & the camaraderie we all joined an organization for!

## Hunting News

by Hans and Adrienne Olufs

We have some great news from John Loades as he was a successful bowhunter on his Oregon elk hunting trip this year! John was able to harvest a big-bodied 5X6 bull with one arrow at 38 yards!

After the bull went down, it was dark so John put a blinking bicycle light on it so he could go get the truck and easily find his bull again. Thanks for the hunting tip and congrats to John!

thankful for Jason Baggs,  
who has helped us get our

## 2015 Elections

As Marilyn mentioned at the end of her President's Message, our annual Elections for 2015 officers is held during our October Club Meeting.

Right now, we are looking for a Secretary, a Range Captain (or an Assistant Range Captain), and a Friends of Lake Sonoma representative (not an elected position).

If you are interested in any of these positions, speak up! SCB cannot run without a full Board. Thanks for considering these positions!
